

**Wiltshire
People 1st**

Media Service

Wiltshire People 1st offer a media service to help get important messages across and make things easy to understand. This can help you reach a wider audience or target information to specific groups.

We can film events, make DVDs, create a record for annual reports, record interviews, and enable people to have their say.

Our trained crew involves people with learning difficulties, led by a media expert who will guide the process from start to finish.

We have worked with and made DVDs for NHS Wiltshire, South West Regional Forum and produced Wiltshire People 1st's annual report.

If you would like more information about this service, or for a quote, please contact us at:
